

Nature

Living area 186 m²
Terrace 60 m²
Balcony 2 m²
Total area 248 m²

Lower floor 116 m²

The terrace of nearly 60 m² stretching halfway round the stone/cement-dressed lower storey is only one of the many striking features realised in this "chalet" design – a delightful talking-point in, and for, all senses!

Upper floor 70 m²

A flattened ridge roof with a pitch of 28° degrees provides space for two bedrooms upstairs.
