

Summer Winds

Living area 41 m²

Attic 29 m²

Balcony 6 m²

Terrace 14 m²

Total area 90 m²

The attic area of "Summer Winds" functions either as a comfortable sleeping area for visitors or as a fascinating world for children. Just step onto the balcony from the attic to admire the wonder of the summer morning. The central fireplace is located in a key position on the ground floor and the kitchen opens out in a practical way to both the living area and the garden. The wardrobe room connected to the bedroom provides further storage space.
